2022 CMA Awards Submission Guidelines
Entry Submissions

The CMA Awards celebrate Canada's leading marketing campaigns and professionals. Annually we bring the marketing community together to witness the best of the best and award creative excellence.

The Annual CMA Awards, celebrating 55 years of excellence in marketing, is now open for campaign entries. This iconic award show honors the best creative talent and ground-breaking campaigns across many different creative disciplines.

We are pleased to announce that Early Bird Pricing will be available on May 2, 2022.

CMA encourages submitting entries early by offering multiple deadlines with increasing entry fee rates. The early-bird deadline offers the lowest entry fee. Entry fees are increased for the final deadline with pricing surcharge for non-member taking effect in the last few days.

| **Customer Experience & Shopper Marketing** | CX and shopper marketing drives sales and builds brand equity with customers using a number of channels and tactics throughout the relationship. These initiatives can be online or off-line and include:  
  • sweepstakes or contests  
  • online couponing  
  • digital engagement (email communications)  
  • event activations  
  • gifts with purchase (gwp)  
  • loyalty rewards  
  • retail and in-store activity  
  • e-commerce and online activity  
  • packaging  
  • sampling  
  • partnerships  

Shopper marketing encompasses successful marketing campaigns with customers sometime throughout the shopper journey. The campaign may focus on new customer acquisition or activity to drive repeat purchase and increased customer loyalty or improve an existing customer experience/journey. |
| **Engagement**          | Engagement is about the dialogue between brands and people – B2B, B2C, partners or employees. To manage long term relationships (quarterly or annually) or lifetime value driven (as opposed to one off tactics), the dialogue can use personalization, experiential techniques, content driven or target a community.  

Public Relations/social media are used to spark continued exposure (earned media, impressions, and interactions) with:  
  • current news items  
  • public interest topics  
  • influencer marketing  
  • product promotions or organizational updates  

Programs with a CRM or 1:1 focus on specific moments in the customer lifecycle such as:  
  • acquisition  
  • welcome/activation  
  • cross-sell/upsell  
  • retention or win-back rate; or entire customer lifecycle management journeys |

|                       | • live beyond "the moment"  
                       | • lay the groundwork for new media applications and approaches  
                       | • will represent innovation within existing media channels or in emerging platforms  
                       | • drive strong measurable business results  
                       | Entries needs to outline how innovative media helped achieve the strategy. They use creative solutions and innovative media technologies to effectively influence or engage their target audiences and demonstrate how tech drove results. Successful submissions will represent innovation within media channels showing strong metrics supporting business KPIs. Strong entries will show innovation beyond the client brief or pivots from the traditional brand norms. |
| MarTech               | Marketing Technology (MarTech) increasingly enables companies to run effective marketing operations at scale. Martech is a powerful business and brand-building tool and organizations that leverage the power of Martech grow faster and improve their revenue. Whether it takes the form of engaging content, mobile, websites, apps, tech-builds, digital messaging, or organization-wide technology stacks. Martech can help reach consumers in the right moment at the right time and with the right message. Successful campaigns or programs that excel in this discipline should demonstrate:  
• Quantifiable results against their brand/ business goals as it relates to the use of MarTech.  
• Results should be a mix of strategic and tactical, also should include customer acquisition or retention, accelerated brand growth and overall customer experience.  
• The use of new innovative technology (ex: customer data platforms, segmentation, visualization tools, AI) or use of existing technology platforms, to meet brand/campaign goals.  
• Use of marketing automation across multiple technology partners/tools to deliver highly successful campaign and how it worked in synergy with other marketing channels.  
• Activity that is data/analytics triggered and part of an always-on communications strategy. |
